JUDGMENT OF JUDGE A D FORD

[1] On 3 November 2014, I issued a minute to the parties confirming the history of this proceeding and advising that unless the plaintiff or her counsel confirmed with the Registrar within seven days of the date of that minute that the claim would be pursued then the proceeding would be struck out for want of prosecution.

[2] The Registrar has subsequently received confirmation from Mr Fletcher that the plaintiff does not wish to pursue the claim.

[3] The proceeding is consequently struck out.
